

CALIBRE SERVICES LTD.

ANIMAL IDENTIFICATION BRANDING

WHY BRAND YOUR COWS?

- Cow branding provides a quick & easy means of in-shed and on-farm cow identification.
- Modern day freeze branding is relatively pain and stress free to animals.
- Cow brands can be reconciled with animal ear tags.
- Information such as age, cow number and ownership details can be branded onto cows.
- You will no longer need to put yourself or your staff at risk climbing kick rails in sheds to ID cows.
- Branded cows make significant events such as herd testing much faster, much easier and reduces the likelihood of error.
- Cow branding is surprisingly affordable with prices starting at \$2/animal.

SO WHY WOULDN'T YOU BRAND YOUR COWS?

Animal Identification Branding by Calibre Services Limited is available in the broader Waikato Region and Nationwide dependant on demand. Please book early to secure a booking.
